DORA L. IRIZARRY, United States District Judge:

**ORDER AUTHORIZING DISTRIBUTION OF CLASS SETTLEMENT FUNDS TO
APPROVED CLASS MEMBER CLAIMANTS, AND
ENTERING JUDGMENTS OF DISMISSAL**

This matter came before the Court on the Motion for Order Authorizing Distribution of the Class Settlement Funds to Approved Member Claimants, and Entering Judgments of Dismissal (“Motion”), filed by the Indirect Purchaser Plaintiffs in actions with the following corresponding case numbers: 15-cv-01338, 15-cv-01798, 15-cv-03005, 15-cv-03174, and 15-cv-03290 (collectively, “IPP Actions”). These and other related actions have been managed collectively under the case entitled In Re: Parking Heaters Antitrust Litigation and Case Docket No. 15-mc-00940 (DLI)(JO). In addition to distribution of settlement funds, the Motion also seeks entry of judgment dismissing the IPP Actions as to Defendants Eberspaecher Climate Control U.S.A. Inc. (f/k/a Espar, Inc.), Eberspaecher Climate Control Systems Canada Inc. (f/k/a Espar Products, Inc.), and Eberspaecher Climate Control Systems International Beteiligungs-GmbH (collectively, “Espar”); and Defendants Webasto Products North America, Inc., Webasto Thermo & Comfort North America, Inc., and Webasto Thermo and Comfort SE (collectively, “Webasto”) (all collectively, the “Settling Defendants”). The Court, having reviewed the papers filed and

arguments made in connection with the Motion, and good cause appearing, hereby GRANTS the Motion as follows:

1. All claim forms submitted between February 1, 2019 and August 31, 2019 shall be considered timely and shall qualify for payment under the same terms and conditions, and subject to the same audit and verification procedures applicable to claim forms submitted by the original claims deadline of February 1, 2019.

2. The Notice procedures described in the Declaration of Shannon R. Wheatman, Ph.D., on Implementation of the Class Action Notice Program, filed December 21, 2018 (Dkt. Entry No. 158-1), and the Declaration of Jessica Jenkins Regarding Claims Experience, filed December 21, 2018 (Dkt. Entry No. 158-2), are hereby approved and confirmed as having given fair reasonable and adequate notice to putative class members of their rights and obligations, including the right to exclude themselves from this litigation, or in the alternative, file a claim for a share of the settlement proceeds.

3. The verification and audit procedures described in the Declaration of Jessica Jenkins Regarding Claim Receipt and Validation, and Allocation of Net Settlement Funds (“Jenkins Declaration”), filed with the Motion on January 22, 2020 (Dkt. Entry No. 168-3), are hereby approved and confirmed as having fairly and reasonably ascertained the veracity of all claims submitted by August 31, 2019. Accordingly, the Court hereby authorizes the payment of the claims listed in Exhibit F of the Jenkins Declaration, which list is attached hereto as Exhibit 1 to this Order. The Court hereby disallows those claims listed on Exhibit G of the Jenkins Declaration, which list is attached hereto as Exhibit 2 to this Order.

4. Attached as an Exhibit to the Declaration of Tracy R. Kirkham in Support of Motion for Order Authorizing Distribution of Class Settlement Funds to Approved Class Member

Claimants and Entering Judgments of Dismissal (“Kirkman Declaration”), filed with the Motion on January 22, 2020 (Dkt. Entry No. 168-2), is an accounting of the sources and uses of all funds deposited and disbursed into the settlement escrow accounts by the escrow agent as of January 2, 2020. Paragraphs 3 and 4 of the Kirkham Declaration contain an accounting of these disbursements, along with disbursements from the Settlement Fund authorized by the Court in prior orders, but not made by January 2, 2020. Settlement Class Counsel has requested authority to deduct \$44,000 from the Settlement Fund to be held as a reserve for payment of costs and fees that Rust Consulting has incurred and anticipates incurring in the distribution to approved claimants. This Court hereby confirms the accounting of the escrow accounts and the computation by Settlement Class Counsel of the Net Settlement Fund available for distribution to claimants, including the establishment of a \$44,000 reserve for future expenses.

5. As soon as practicable, Settlement Class Counsel shall instruct the claims administrator, Rust Consulting, Inc. (“Rust”), to compute the *pro rata* share of the Net Settlement Fund for each claimant listed on Exhibit 1 attached hereto, and send each such claimant a check in the appropriate amount. Checks issued to class claimants by Rust shall bear the notation “Non-Negotiable After 90-Days.” Rust shall void all uncashed checks following the expiration of the 90-day void date. Rust may re-issue checks as necessary.

6. Indirect Purchaser Plaintiffs and the Settling Defendants entered into the Agreements to settle this litigation to avoid further expense, inconvenience, and the distraction of burdensome and protracted litigation; to obtain the releases, orders, and judgment contemplated by the Agreements; and to put to rest with finality all claims that have been or could have been asserted against the Settling Defendants and all persons and entities who are defined as Releasees in the Settlement Agreements (“Releasees”) with respect to Parking Heaters in this litigation.

Pursuant to those Agreements, the Settling Defendants agreed to provide specified monetary compensation to Indirect Purchaser Plaintiffs and the Settlement Class, and to cooperate with Indirect Purchaser Plaintiffs in connection with the continued prosecution and resolution of the litigation. Neither the Settlement Agreements, nor any act performed or document executed pursuant to those Agreements, may be deemed or used as an admission of wrongdoing in any civil, criminal, administrative, or other proceeding in any jurisdiction.

7. Those Settlement Agreements, having become final pursuant to their terms and the orders of this Court, the Court hereby dismisses on the merits and with prejudice the individual and class claims asserted by the Indirect Purchaser Plaintiffs and members of the certified Settlement Class against the Settling Defendants, with all parties to bear their own costs and attorneys' fees, except as provided for in the Settlement Agreements and by order of this Court awarding fees and costs from the common fund.

8. As provided in each of the Settlement Agreements, the Settling Defendants and all Releasees are hereby and forever released and discharged with respect to any and all claims or causes of action which the Indirect Purchaser Plaintiffs, members of the certified Settlement Class and any persons or entities defined in the Settlement Agreements as Releasors ("Releasors") had, have, or in the future may have arising out of or related to in any way any of the Released Claims as defined in the Settlement Agreements. All Releasors are hereby barred and enjoined from commencing, prosecuting, or continuing, either directly or indirectly in an individual or representative or derivative capacity, against any or all Releasees, in this or any other jurisdiction, any and all claims, causes of action or lawsuits, which they had, have, or in the future may have, arising out of or related to any of the Released Claims as defined in the Settlement Agreements.

9. The Court finds, pursuant to Federal Rules of Civil Procedure 54(a) and (b), that Final Judgment of dismissal should be entered and further finds that there is no just reason for delay in the entry of this Final Judgment, as a Final Judgment, as to the parties to the Settlement Agreements. Accordingly, the Clerk of the Court is hereby directed forthwith to enter the Judgment of dismissal with prejudice as to the Settling Defendants in the IPP Actions with the case numbers 15-cv-01338, 15-cv-01798, 15-cv-03005, 15-cv-03174, and 15-cv-03290.

10. Without affecting the finality of this Judgment in any way, this Court hereby retains continuing and exclusive jurisdiction over: (a) implementation of the terms and conditions of the Settlement Agreements; (b) disposition of the Settlement Funds as defined in each Agreement and their distribution to Settlement Class members pursuant to this Order; and (c) the designation of *cy pres* recipients and the *cy pres* disposition of any residual funds remaining from uncashed checks after the period specified by the Court for cashing such checks has expired and no further issuance of replacement checks is feasible.

SO ORDERED.
